

The summertime is full of sunshine and outdoor fun, but like any season there are potential hazards to be aware of. The Sturgis Fire Department has provided the following safety tips to help citizens have an injury-free, fourth-of-July celebration.

### **Fireworks Safety**

Fireworks are a summertime tradition. The best way to enjoy fireworks is to visit **public fireworks** displays put on by professionals who know how to safely handle fireworks; however, fireworks can legally sold between June 27-July 5 in South Dakota, and you if choose to use them, there are several safety guidelines that should be followed:

- Never light fireworks indoors or near dry grass.
- Always have a bucket of water and/or a fire extinguisher nearby. Know how to operate the fire extinguisher properly.
- Do not wear loose clothing while using fireworks.
- Stand several feet away from lit fireworks. If a device does not go off, do not stand over it to investigate it. Put it out with water and dispose of it.
- Always read the directions and warning labels on fireworks. If a device is not marked with the contents, direction, and a warning label, do not light it.
- Supervise children around fireworks at all times.

### **Applicable Laws:**

#### **City of Sturgis Ordinance Title 12.08.03:**
